## NOTIFICATION

The Media Council Secretariat has observed frequent discrepancies and irregularities while disseminating COVID-19 related information (especially via social media platforms) by some media houses.

Therefore, the Secretariat urges all media houses to take caution and disseminate information to the public with greater responsibility. You are advised to follow the **Ministry of Health and Prime Minister's Office - PMO Bhutan** social media pages for timely and accurate information. It is also recommended that you acknowledge the source of information if it is obtained otherwise, to avoid online plagiarism and to build respect and credibility of your own media house by the general public.

In addition, please abide by the Code of Ethics for Journalists 2007 and other relevant provisions as prescribed under the Licence Terms and Conditions and uphold professionalism at all times.
